

OZZ XR2 P9"

Experience the power of light with OZZ XR2 P9". These 220 mm lights feature a dynamic start-up position light in white and orange. The innovative successor to the original OZZ light series offers a new prominent start-up pattern for an impressive visual effect upon ignition. With a boost function, the OZZ XR2 P9" emits 10 600 lumen, providing 1 lux at a distance of 680 meters. The driving beam pattern ensures optimal visibility with a wide and long-range reach. The lights have a color temperature of 5000 K, offering pleasant illumination in all conditions.
